

My Eulogy Worksheet

- 1) First, find a time and location where your best creativity seems to flow best. Think, with as much detail, what you would like to have said about you at your funeral. Don't worry about grammar, spelling or punctuation. Just write fluidly.
- 2) Second, once you have several sentences, pick out the character traits required to fulfill this eulogy.
- 3) Third, begin your journey into scripture, prayer, and reading for each character trait.
